

# Certificate III in Brick and Block Laying

Partial Completion

*tradePLUS* - SACE Stage 2

## About the Course

This course is the final stage in the Doorways 2 Construction Program and is designed to increase knowledge and skills in the field of brick laying.

Successful completion of this course will enhance the graduate's employment prospects as an apprentice or general employment in the building and construction industry.

The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

A substantial period of work placement is required to ensure that unit outcomes are met.

## Prerequisites

Doorways 2 Construction Certificate I or II in Construction and provide a CITB number.

## Special Requirements

Students must adhere to all WHS requirements as directed by trainer. The approved RTTC trainee uniform and PPE will be required during all training and SWL.

Students must have good literacy and numeracy skills.

Students will be provided with the following through the RTTC at no additional cost:

- High visibility Jonsson work shirt
- Safety glasses
- High visibility work jumper

Additional Personal Protective Equipment (PPE) to be purchased by student prior to commencement:

- Steel cap boots
- Beige work trouser

The unit CPCCOHS1001A "Work safely in the Construction Industry" (White Card) is designed to meet WHS regulatory authority requirements for WHS induction and must be achieved before access to any building and construction site.

## Course Details

Course Code	Subject Title	Hours
CPCCCA3002A	Carry out setting out	24
CPCCCM2008A	Erect and dismantle restricted height scaffolding	40
CPCCCM2010A	Work safely at heights	8
CPCCBL2001A	Handle and prepare bricklaying and blocklaying materials	16
CPCCBL2002A	Use bricklaying and blocklaying tools and equipment	30
CPCCBL3005A	Lay masonry walls and corners	76
CPCCBL3006A	Lay multi thickness walls and piers	60
CPCCCO2013A	Carry out concreting to simple forms	20
CPCCCM2006B	Apply basic levelling procedures	8

## Course Location

Rosewater Trade Training Centre  
Cnr Symon St and Russell St, Rosewater SA 5013
