

MOUNT CARMEL COLLEGE

Drug Policy

Rationale

Mount Carmel College's Drug Policy is written with its motto, Caritas et Dignitas (Love and Dignity), clearly in mind. The Gospel values of love and dignity reflect this community's efforts to assure the right of every member to a safe environment and the responsibility of every person to promote safe practices. Learning and personal growth take place most assuredly when everyone within the community feels safe.

Aims and Objectives

With safety and good health as its paramount aims, this policy supports students, parents/guardians and staff in their endeavours to make informed decisions about drugs in light of the:

- use and management of medication
- provision of drug education in the curriculum
- enhancement of healthy life choices

Response to Illicit/Unsanctioned Use of Drugs

The possession, use and/or distribution of illicit and other unsanctioned drugs is not acceptable at Mount Carmel College.

The College opposes the inappropriate use of legal drugs and the possession of drug-related objects unless medically authorised.

- assessment of the immediate health status of the student and the seeking of medical assistance, if required
- confiscation and identification of any substances
- preliminary investigation to establish the facts

As part of Mount Carmel College's efforts to be a health promoting school, the curriculum aims to be proactive. It encourages healthy life choices and harm minimisation strategies.

Mount Carmel has a program of Drug Education at Years 8, 9 and 10 through its Life Skills Program and Pastoral Care Program. Issues involving alcohol, tobacco, cannabis and other illicit drugs are addressed. Some senior subject curriculum also addresses drug issues.

Curriculum review is an ongoing process through the College Curriculum Committee. It is a goal of the committee to assure that Drug Education reaches every student at every year level.

Mount Carmel College encourages its students to make healthy life choices through:

- the College's extensive curriculum, including Religious Education at each year level
