Dear Families

2023 Student Transition Visits

With Christmas decorations already in some shops, we know that the end of the school year is not far away.

Week 3 was an important time for students who will be in Reception or Year 7 next year at Mount Carmel College. On Tuesday the future Reception students had the first of 3 morning visits. It was also great to see so many of their parents able to attend and hear about our College, as well as socialise with each other. On Wednesday we welcomed to the Secondary Campus future Year 7 students. They spent the whole day hearing about secondary student life, being toured around the campus by some of our older student leaders, friendly competition in the quiz and attending some lessons. Although

students looked quite tired at the end of the day, so many spoke of their excitement and anticipation about next year. Best wishes to all Year 6 students over the coming weeks as you prepare for end of year masses and primary graduation events.

Prayers for Year 12 students

The Year 12 exams are well underway and they continue next week. Our prayers are with our Year 12 students as they demonstrate their knowledge in final exams.

Our Year 11 students are in the final days of formal Year 11 lessons before exams and then Year 12 introductory lessons.

Primary Assembly

Two of the Year 1/2 classes hosted the Primary Campus Assembly last week. The students did a wonderful job presenting different aspects of their learning

to the primary students and staff, as well as an appreciative and proud group of Year 1/2 parents. Congratulations to the students and their teachers on a wonderful Assembly.

Be a person of hope to others.

Student Absences/ Late Arrivals

When a student is absent or going to be late, parents should notify the school by 9am on that day by texting the **Absentee Line** on **0438 368 846 (SMS) or phoning (08) 8447 0500**. You will need to state the following:

NAME OF CHILD, YEAR LEVEL, REASON FOR ABSENCE eg *If late approximately what time will your child arrive etc.*

A medical certificate is required if a student is away for more than 3 days. For any planned extended absence, a letter to the Principal is required to explain circumstances.

Maths Competition

L-R: Linda Do and Rada Cvetanovic

On Wednesday 3 August 2022, Mount Carmel College was one of many Australian schools that participated in the Australian Maths Competition. This is a great opportunity for students to extend and test their mathematical and problem-solving skills.

Congratulations to all students that participated, it was fantastic to see students dedicating themselves to the furtherment of their studies. The following students received awards for their efforts during the Australian Maths Competition:

- Linda Do: Certificate of Distinction
- Benjamin Khuu: Certificate of Credit
- Bethany Clough: Certificate of Credit
- Ayoub Bou Hatoum: Certificate of Proficiency
- Rada Cvetanovic: Certificate of Proficiency
- Cindy Wong: Certificate of Participation

Finance Fee Statements

Term 4 statements will be posted over the following week. A reminder to all that 2022 Fees are to be paid in full by 30 November 2022 unless you have an approved payment plan in place. It is important to us that we appropriately handle any outstanding accounts and avoid third-party involvement especially this time of the year wherever possible. We rely on you understanding the responsibility of your commitment towards your fees and communicating any concerns or challenges you are experiencing, knowing that it will remain confidential and dealt with discretion.

2023 Fee Schedule and Payment Plan Agreement Form has been uploaded to our website: <https://www.mcc.catholic.edu.au/enrolment/fees-and-stationery> or refer to pages 7-10 of this Newsletter.

All parents/guardians are to complete the Payment Plan Agreement Form and return to either the Primary or Secondary Campus as soon as possible. This form will also be attached to your Term 4 statement. You are welcome to contact me now to arrange a 2023 Payment Plan rather than wait until next year. Future payments dates can be organised in advance.

Oliphant Science Competition Award

Deborah Williams

Aitishka Singh

On 21 October, Aitishka and I were fortunate enough to attend the 2022 Oliphant Science award ceremony. The Oliphant

Science competition is a competition which many schools in South Australia enter. The Oliphant Science Competition involved many different categories regarding science such as Scientifics reports, models, posters etc. Depending on the year level and category, prizes such as a certificate and money were awarded for the best entries. Ms Sullivan and Mr Tran accompanied us to the award ceremony.

First, speeches were given by highly valued scientists in South Australia. One speech was written by Sir Mark Oliphant and spoken by a representative. Here, we

learnt about the history of the foundation, why it was built and how it reflects his legacy. Then the award announcements began, there were about 30 award winners from schools all around South Australia. We entered in the category of Models and Inventions and received a money prize for fourth place in the Rowe Scientific Regional and Engineering Award for Years 9-10. Overall, this experience was very eye opening and expanded our knowledge and creativity in science. From the 2200+ students and the large number of prestigious schools who participated, we were very pleased to be in the top 30 and represent Mount Carmel College. We are both looking forward to participating in next year's Oliphant Science Competition and hope more students from Mount Carmel College will participate after hearing about our wonderful experience.

Deborah Williams, 9P

Commerce and Law Excursion

The Year 10 Commerce and Stage 1 Legal classes visited the Central Markets and Courts in the Adelaide CBD in week 2, accompanied by Ms Carabelas and Mrs Daviess. Through the Foods Australia Tour group, the Commerce students were given the unique experience of talking to the business owners of stalls in the markets and their advice on running a successful business venture. The students were able to ask their own questions, as well as speak to Mark Gleeson, the owner of Food Tours Australia (as well as many other companies). The students learned about Google Analytics and the importance of

community when helping other businesses. It was a fun learning experience for all involved.

The Stage 1 Legal students accompanied them but instead visited the District, Supreme and Magistrates Courts as part of the Legal Studies curriculum. They were able to see how the court system worked firsthand and the Judge from the District court was kind enough to stay back and answer any questions the students had. The experience was extremely worthwhile for both groups of students.

Felicity Daviess and Karina Carabelas

Year 4 Sustainability

Everything is interconnected, and .. genuine care for our own lives and our relationships with nature are inseparable from fraternity, justice and faithfulness to others.

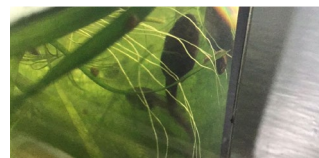

Pope Francis, Laudato Si' (70)

Inspired by the teaching in Pope Francis encyclical – **Laudato Si'** Year 4 classes have had a sustainability focus this year. Earlier in the year Project Compassion during Lent raised awareness, through global stories of poverty and marginalisation of some areas of society, towards concern for rising sea levels; solving the problems of so much plastic waste and solving the problems of poverty; developing strategies to curb greenhouse gas emissions and the damage of a viral pandemic on humans. In our HASS and Science we have also been addressing this interrelatedness of nature and human impact. Year 4 students have studied natural environments, interconnectedness of habitats and

the impact humans have on their natural environment by modern developments. All actions have a reaction/consequence. Using this launching pad into sustainability awareness we have linked our learning in Ecological Conversion to Prayer, for building awareness and focus on our school environment. Students participated in a 'NOTICING NATURE' meditation prayer, gathered around our 'grandmother tree' Kamamari Kirra. In small groups students were invited to go on a silent nature noticing walk around the green areas of the school. They took photos of nature that they are aware of and gave them awe or curiosity, these photos were posted to the class Seesaw page with the text added to the photo "Divine Love is Present in ..." This prayer activity enables students the opportunity to be outdoors in nature with a focus only on being in nature. A particularly calming task with great curiosity, awe and wonder.

There are plenty of good reasons for students to have engaging experiences with nature during the school day, it is a calming behaviour strategy, important for student's wellbeing. "Living our vocation to be protectors of God's handiwork is essential to a life of virtue; it is not an optional or a secondary aspect of our Christian experience" (Laudato Si', 217) Using prayer to cultivate an attitude of gratitude and humility in response to all of creation. As Pope Francis has said, protecting creation isn't optional. But it must first come from a deep-seated faith and awe of God and his handiwork. Turning attention in prayer to the wonder of creation and reflecting on our responsibility for defending it is a necessary step in our continuous "conversion" towards becoming greater stewards of this planet.

Taking Action for Social Justice Vinnies Christmas Appeal

Last week Year 10s attended a presentation by Maddie Kelly, a social justice advocate who has, over the past decade, dedicated herself to taking action in working towards creating social justice in various communities. Students heard about Maddie's experiences during school and how these shaped her interest in social justice, leading her to become a social justice coordinator at St Aloysius College, supporting victims of human trafficking in India and, at the age of 23, to the School of St Jude in Tanzania where she has worked for the past five years. Students heard about Maddie's experiences working with some of the world's poorest communities and how the School of St Jude is working to end the cycle of poverty through access to education. This was an eye-opening presentation, and students appreciated hearing from a young person who has made social justice a significant part of her life.

This term, Year 10 students are taking on the challenge of promoting the Vinnies Christmas Appeal as part of their studies in Spiritualities, Religion & Meaning. Students have been learning about the Christmas Appeal and how this supports different

families in our community. Over the next few weeks, students will be working in small groups to design campaign materials and student activities aimed at engaging students at all year levels to take part and contribute to this cause.

In the coming weeks, all students will be invited to bring in food donations, Christmas gifts and money to support the 2022 Vinnies Christmas Appeal. We are hopeful that through the generosity of our community we can support Vinnies in making Christmas a time of joy for all.

Pedro Ferreira, Year 10 Coordinator

Community Connections

In Community Connections this term, Inclusion students made 'thank you' gifts for St Vincent de Paul's Society volunteers at the Port Adelaide St Vinnies Op shop to show their gratitude towards those who give up their time to look after the most vulnerable in our community. The students used their Community Connections lessons to decorate mugs, make Milo Balls and write cards to show their appreciation. These gifts

were delivered on Friday 4th November to the store manager, Julie who was very appreciative of the students thoughtfulness. The students had a tour of the store and learnt more about what else St Vinnies do to support those in need.

Junior Parliament was an exciting and rewarding experience, I met so many new people, expanding my social circle and really building up my public speaking skills. My highlight was being privileged enough to go to Parliament House and debating 6 whole bills such as putting guiding lights on roads and more buses. The opportunities I had at Junior Parliament were endless, and I am already looking forward to next year!

Zarah Devirgilio, 7R

My name is Bonnie Daley and I went to the Junior Parliament camp. I enjoyed going to the South Australian Parliament House for youth parliament 2022. It was a great opportunity to meet new people and debate over problems of now such as the wellbeing of Greyhound ravers. I also got the award for best speaker for the parliament side. I would enjoy doing this in the near future.

Bonnie Daley, 7R

This year I was chosen to go on a three-day camp in the Adelaide hills. This was Junior Parliament Camp. I got to collaborate with my friends to create a bill to present in parliament in the holidays. I wish I had talked more on bills I was interested in. One bill that was talked about was prisoner welfare. I enjoyed the experience, and I can't wait to go next year in 2023.

Cillian Kent, 7R

Year 8 Immunisations

A reminder that Year 8 Immunisations for HPV, diphtheria, tetanus and pertussis will occur on Friday, 18 November.

Students must arrive at school on time this day to ensure they receive their injection at the rostered time. Also, it is crucial that students eat a solid breakfast in the morning to avoid any potentially immediate side effects from the injection.

Students are to wear their PE uniform to allow the nurses administering the injections easy access to the upper arm.

If you require further information, please contact Anna McKay on 8447 0532.

MOUNT CARMEL COLLEGE

A Catholic Co-educational Years R-12 School in the Josephite Tradition

Fee Schedule 2023

The fees for 2023 continue to represent a simple and affordable process making Catholic education accessible to all families regardless of income level.

The fees for Reception to Year 6 were reduced in 2021, remaining unchanged in 2022. Year 7-12 fees were reduced by 4% in 2022.

In continuing to support our families 2023 fees remain the same as 2022.

In addition, the College Board approved the following:

- Compulsory curriculum based activities do not incur any further fees (such as camps)
- Sibling discounts at Mount Carmel College are; second student at the College 20%, third 40%, fourth 60% and 100% for any further siblings.
- The Acceptance of Offer fee for Tier 1 is \$200.00 with \$150.00 credited to your account once the student commences. Tier 2 will be \$50.00.
- If you are not eligible for any other discounts and you currently have a child enrolled in a Catholic Primary School (excluding Mount Carmel College Primary Campus students), you may request for the Catholic Primary Sibling Discount (CPS) be applied to your tuition fees as per our Fee Schedule.

Important additional information is provided further in this Fee Schedule regarding discounts, fee remission, processes and forms required to be completed and lodged.

COLLEGE FEES 2023

- Personal contact from Principal or Business Manager end of week 9 inviting account holder for interview. Failure to respond within 7 days will result in further action (Debt Collection agency).
- Refer to Debt Collection agency after week 10. Costs associated with the collection of outstanding fees will be invoiced to individual family accounts.

Refugee Students: Those students who meet the criteria for refugee status (new arrivals less than 5 years and School Card eligible) will be required to pay only \$500.00 in their first year toward their fees, and must meet the Fee Schedule each year thereafter.

PAYMENT OF FEES

Families are encouraged to make regular payment of accounts to assist them in meeting their financial commitments.

Payment is required for each term commenced and fees may be paid either:

- Weekly over 40 school weeks - Fortnightly over 40 school weeks
- Monthly over 10 months from February to November
- Up front by 31 March for the full year
- In 3 instalments by week 4 of Terms 1, 2 & 3 Payments can be made through the College Offices.

Please note: If you use BPAY, the transaction will appear on your bank statement with the reference CCES (Catholic Church Endowment Society). Please see the College Accountant if you would like to arrange payments using FAT ZEBRA (Credit Card regular payment scheme), Direct Debit, BPAY, Credit Card (irregular), Centrepay, EFTPOS or Cash.

All regular payment plans must be sufficient to ensure full payment of the account by the end of November. The College Accountant can advise families of the amount necessary to meet this commitment. Families falling outside of an agreed payment plan may be referred to our preferred collection agency (see under 'Debt Collection' below).

If parents/guardians choose to withdraw their child from the College, one term's notice is required, otherwise the parents/guardians are liable for one term's fee. For a copy of College Fees Policies and Procedures or this Fees Schedule, please visit our website at: www.mcc.catholic.edu.au

Early Payment: Families choosing to pay all fees in total by the 31 March will receive a 5.0% discount off their fees where no other discounts apply (exception on sibling discount).

Discounts: Sibling discounts apply to second sibling enrolled at the College 20%, third 40%, fourth 60% and 100% for any further siblings. Those families with children at another Catholic primary schools (excluding Mount Carmel College Primary Campus students) will receive a 10% discount (CPS) off the fees off their eldest child enrolled where no other discounts apply (except on a sibling discount). CPS discounts will only be applied to your account on receipt of a completed form, which is available on the College website: www.mcc.catholic.edu.au and must be received by 31 March each year your child is enrolled at another Catholic Primary School.

Special Cases: Special cases will be treated on an individual basis and are reviewed annually. Please contact the Business Manager or Principal to discuss options that may be available.

School Card: Families eligible for School Card will receive a 40% discount off fees (Tier 2). Families need to apply each year for School Card discount to ensure eligibility. The College Accountant can assist you with this. Forms are available from the Accountant or our website at www.mcc.catholic.edu.au/enrolment/fees-and-stationery.

COLLECTION OF FEES

Responsibility: Liability for payment of accounts rests jointly and severally with the person(s) signing the Mount Carmel College enrolment form. If both parents have signed the enrolment form, one parent cannot remove themselves from the enrolment contract without written consent from the College and the other enrolling parent.

Further Action: Any debt collection costs incurred by the College to recover outstanding fees will be charged to your account.

ENROLMENT FEES

Acceptance Fee of \$200.00 is required when accepting an offer of enrolment with the College. \$150.00 will be refunded and credited to your family account once the student commences their enrolment at the College. OzCLO 2023

Australian Computational and Linguistics Olympiad

OzCLO is a language puzzle-solving competition for students in years 7-12.

No linguistic knowledge necessary, however it's great for students who like languages, maths, computers and natural sciences.

The National winning team will compete in the International Olympiad in person in Hungary!

Try your hand at a puzzle right now!

Below are some English words written in Braille, an alphabet made of raised dots for blind people to read with their fingers.

We'll tell you what five of the words are:

door, ware, rare, deer, dare

Match the word and the Braille spelling – and then you can figure out what the sixth word is!

Can't get it? That's OK, the answer is at the bottom of the poster!

If you enjoyed that you'll love:

Competition Regional and National Rounds:

Regional: 1 March 2023 online
National: 22 March 2023 in person

Registration: www.ozclo.org.au

Opens 16 January and closes 24 February
Cost: \$40 per team
