

YEAR 12 SUCCESS IN 2022

Congratulations to the Year 12 Class of 2022

The College community congratulates the Year 12 Class of 2022 on their success achieved throughout the year.

We again had **100% South Australian Certificate of Education (SACE) completion rate**, as has been the case for many years at Mount Carmel College.

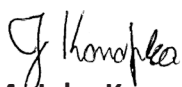

More than 70% of all grades awarded were A or B grades. No E grades were awarded to any of our students in any subject.

Special congratulations to our Dux, **Jessica Ho** who achieved the **highest ATAR for 2022**.

Three (3) Merits were achieved in English and Research Project. 91% of our students who applied for university received an offer in the first major round and of these, 75% were offered their first preference. with 94% of our students who applied for university received an offer in the first major round and of these, 74% were offered their first preference.

We are very proud of the outstanding results achieved by our Year 12 students. We know that excellent academic achievements are the result of a lot of hard work and the wonderful partnership in learning between the student, parents, teachers, support staff and the College. Our Year 12 students enthusiastically participated in the many different opportunities open to them through Mount Carmel College, such as sport, the Musical, social justice to name a few; performing well not just academically but also developing all of their gifts and talents.

We are proud of the Class of 2022 and wish them every success as they graduate to the next exciting stage of their life, whether that be at university, TAFE or the world of work.

Mr John Konopka
College Principal
